2 Superb Destinations 1 Day Trip

Denbies Wine Estate, England's largest vineyard, and **Painshill Park**, one of the 18th century's great landscape parks offer you an exclusive and diverse day out.

Painshill Park is a living work of art where landscape design and history come together spectacularly to offer visitors 158 acres of breath-taking vistas, unusual Follies and a small Vineyard.

Created during the Georgian period, Painshill has been authentically restored and represents a fine example of award winning conservation.

Denbies Wine Estate together with **Painshill Park**, offer an interesting and varied full day out that is not weather dependent, allowing you to plan your day with confidence.

In contrast, **Denbies Wine Estate** was established in 1986 and has 265 acres of vines overlooking Box Hill on the North Downs. Denbies is widely acknowledged as the finest example of a working winery open to the general public. The Indoor cinema tour and wine tasting, seasonal outdoor vineyard train and nature trail offer visitors a unique experience.
