

START/FINISH: The Anchor Pub, TW19 6AQ

Distance: 10 miles

- 1 With **The Anchor PH** to your left go along **Hithermoor Road** following the road around the sharp left. Continue ahead for 600m and when you approach the reservoir embankment ahead continue left along **Hithermoor Road** for a further 500m to reach the T-junction with **Horton Road**.
- 2 Turn left on **Horton Road** and follow this road round to the right at **The Anchor PH**. Continue on **Horton Road** for a further 450m ignoring turnings to reach the river, with **The Mill** on your right. After a further 250m, immediately before the T-Junction, pull over and dismount and then cross to go between posts and concrete rings on the right hand side of the road. (You will return to this point later).
- 3 Follow the unmade bridle way until it meets the tarmac and then turn left to follow this track, under a bridge, over the **M25** and under a second bridge to reach the road on the west side of **Junction 14**.
- 4 Carefully turn left onto the road (the view of traffic coming off the roundabout is poor) to continue for 500m to reach the roundabout with **The Golden Cross PH** opposite.
- 5 Take the first exit (**Stanwell Road**) and continue 950m to the mini roundabout.
- 6 Turn left into **Coppermill Road** (towards **Wraysbury**) and after 1700m reach the railway bridge. Continue a further 800m from the bridge, on **Station Road**, and turn right on the road immediately before **The Perseverance PH**.
- 7 After 50m go past the pond/ford on your right and look out for the windmill on your left. Continue ahead on the road with the **Tennis Club** on your left to the T-junction. Turn left and in 200m turn right.
- 8 Continue along **Staines Road (B376)**, with the sailing lakes appearing on your left after 500m, until you reach the roundabout with the first exit going to **Junction 13** of the **M25**.
- 9 Take the second exit (**Wraysbury Road**) to pass under the motorway. In a further 1200m, after passing the **Lammis Recreation Ground** then the church on your right, turn left into **Moor Lane** at the end of the high brick wall.
- 10 Continue for 1500m along **Moor Lane** to go over the railway bridge. Where the road bends sharp left immediately after the bridge, carefully take a right turn.
- 11 Go through the gateway in the high fence and then continue ahead on tarmac with the **Wraysbury River** on your left. Continue ahead on the narrow unmade bridleway which later swings right to reach **Leylands Lane** at a gateway.
- 12 Carefully go left and immediately turn right (expect traffic) to rejoin **Horton Road** at the point you left it on the way out. Continue along **Horton Road** to pass **The Mill** for a second time and arrive back at **The Anchor PH**.
